Comments:

9/9/99 - Call from Sal Venticinque & Jack Johnson (BLM oil & gas engineer) stating operator is actually starting to locate equipment on PRIVATE property at this site. Has two large rock pile stacks (possibly humate) - don't know where they are getting these from unless they are mining on site. There is a cement mixer, bulldozer, trucks, etc. Mr. Johnson took pictures of what he saw. Sal thought Kenneth Cooper is not associated with the site, but it should be Tommy Newsom, P.O. Box 4, Mack, Colorado 81525 (Note: This is the same address as C&R Minerals under Kenneth Cooper).

8/31/99 - Deficient letter sent to operator. More detail is needed for this proposed project. Letter also faxed to Bill Stringer, Moab BLM.

8/19/99 - Faxed copy of notice to Sal Venticinque - BLM, Moab Field Office.
